## ABOUT US

We are a professional mosaic manufacturer located in Foshan, Guangdong, China, near to Guangzhou and Hongkong, benefiting transportation cost controlled.

We are specializing in producing all kinds of glass mosaic since 2008. With more than 16,000 square meters production area, advance machines, such as 68 meter-long kiln, high precision bevel machines and inkjet printing machine, plus 150 skilled workers, our capacity reaches up to 50,000m<sup>2</sup>/month.

## OUR SERVICE

All the production procedures are under strict quality control. From the designing, color adjusting, raw material cutting, color printing, glass cutting, edge-beveling, firing, assembling, to the packing, we do the 100% inspection and spot check before shipment. Besides, we guarantee our products quality with the international certificates, e.g.: SGS, TUV, BV, and CE.

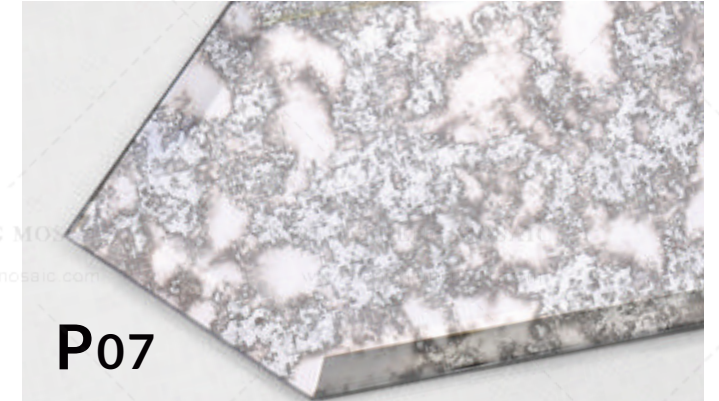

Our mosaic tiles are used widely in kitchen, bathroom, swimming pool, hotel, resort, and so on.
